

WATER COMMISSION.

STATE OF CALIFORNIA.

REVOKED

Water License No. Lights Creek #1

Whereas, on the 4th day of August, 1914, one Engels Copper Mining Co. of the County of San Francisco, State of California, duly made application No. Lights Creek No. 1 & East Branch Lights Creek #1 to the State Water Commission,

(formerly the Board of Control, Water Power) of the State of California, for a permit to use the waters of Lights Creek, East Bnch, Lights Creek Plumas, in the County of Plumas, State of California, for the purpose of generating electrical power, and

Whereas, on the 27th day of August, 1914, a permit was issued to said applicant for the diversion of said water for the term of six months, and

Whereas, a favorable report was made upon the said project by the Engineer for the said Water Commission, on the 20th day of April, 1915 whereupon said Water Commission became satisfied of the right of the said applicant to a license for the use of the said waters of the said Lights Creek and East Branch Lights Creek, & Morton Creek.

Now, Therefore, by virtue of the authority vested in the said Water Commission by the laws of the State of California, we do hereby grant and confirm to the said Engels Copper Mining Co. of the City and County of San Francisco the holder and owner of said permit hereinabove mentioned, for the period of forty (40) years from the date of this license, the use of 25 cubic feet per second of the waters of Branch Lights Creek & Morton Creek Lights Creek, East in the county of Plumas, State of California, or so much thereof as may be necessary for the purposes hereinbelow mentioned; said water

to be diverted from x points as follows: From the main Lights Creek in the SW $\frac{1}{4}$ NW $\frac{1}{4}$ Sec. 33, T. 28 N. R. 11 E. M.D.M. from the East Branch Lights Creek in the SW $\frac{1}{4}$ SE $\frac{1}{4}$ Sec. 33, T. 28 N. R. 11 E. M.D.M. From Morton Creek in the NE $\frac{1}{4}$ SW $\frac{1}{4}$ Sec. 33, T. 28 N. R. 11 E.

and to be used for the generation of power, etc., as follows at a power house located in the NW $\frac{1}{4}$ NW $\frac{1}{4}$ Sec. 17, T. 27 N. R. 11 E. M.D.M. The plant at present has an installed capacity of 485 H.P. and operates under a total head of 467 feet. Electric power is transmitted a distance of two miles to the Engels Copper Mine.

(This plant was completed and complete use of the power made on December 19, 1914, prior to the appointment of the Water Commissioners, and the license is therefore made effective as of that date and annual fees are due and payable on December 19 of each year hereafter)

subject to the laws of the State of California, applicable to a license for the use of the waters of the State, and subject to vested rights.

Witness our hands at San Francisco, County of San Francisco, State of California, this 6th day of August, 1915

WATER COMMISSION.

STATE OF CALIFORNIA.

Water License No. 2 (Spring)

DATE REC. 8/16/33
Whereas, on the 7th day of October, 1915 one Walter K. Fisher of the County of Santa Clara, State of California, duly made application No. 152 to the State Water Commission, (formerly the Board of Control, Water Power) of the State of California, for a permit to use the waters of a spring, in the County of Eldorado, State of California, for the purpose of domestic use, and

Whereas, on the 1st day of December, 1915 a permit was issued to said applicant for the diversion of said water for the term of nine months, and

Whereas, a favorable report was made upon the said project by the Engineer for the said Water Commission, on the 21st day of September, 1916, whereupon said Water Commission became satisfied of the right of the said applicant to a license for the use of the said waters of the said spring.

Now, Therefore, by virtue of the authority vested in the said Water Commission by the laws of the State of California, we do hereby grant and confirm to the said Walter K. Fisher of the City and County of Santa Clara the holder and owner of said permit hereinabove mentioned, for the period of years from the date of this license, the use of 0075 cubic feet per second of the waters of a spring in the county of Eldorado, State of California, or so much thereof as may be necessary for the purposes hereinbelow mentioned; said water to be diverted from a point within the SW 1/4 SW 1/4 of Sec. 14, T. 12 N., R. 17 E., M.D.M.

and to be used for the generation of power, etc., as follows: Domestic purposes at the home of said Walter K. Fisher within the SW 1/4 SW 1/4 of Sec. 14, T. 12 N., R. 17 E., M.D.M.

subject to the laws of the State of California, applicable to a license for the use of the waters of the state, and subject to vested rights.

Witness our hands at San Francisco, County of San Francisco, State of California, this 24th day of October, 1916.
